Try

Organize what you wrote down into a presentation format.
Summarize it into 4 to 5 slides.
You may use AI to help you summarize.

Exercise

Practice your presentation for the next class.

13-12 Block Breaker Development Presentation

Point!

In this lesson, you will present the block breaker game you developed in the previous classes.

Warm Up

You will present the block breaker game created in previous lessons based on the following points.

1) What kind of game did you create?
• Game Title
• Game Rules

2) Development Stories
• Creative points (Strategies used)
• Difficulties faced

3) Collaboration with AI
• What AI can do
• What AI cannot do

Try

Present your summary to your group members.
